LETTER

SIR:

Although the owner of Registration No. 1,445,291 ("SHEER DIMENSIONS") is correctly identified in the Petition for Cancellation of the registration as CATHERINES OF CALIFORNIA, INC., the Trademark Trial and Appeal Board has incorrectly identified the owner of the registration as CATHERINES, INC. The assignment of the registration from CATHERINES, INC. to CATHERINES OF CALIFORNIA, INC. was recorded effective April 25, 1995, on reel 1321 frame 0010, and since CATHERINES OF CALIFORNIA, INC. is the owner of record of the registration it is respectfully requested that the identification of the Registrant in the above proceeding be corrected from CATHERINES, INC. to CATHERINES OF CALIFORNIA, INC.

Respectfully Submitted,
